Proposal

Client: vans lovers

Site: feetinvans.com

Brief Overview: In this site you will find stylized pictures of feet in vans. I really love vans shoes. the way they look and feel. There are so many people that share the same passion as me. So with this site they can view different pictures that we have taken of vans shoes.

Audience Profile: The Audience target, is any one who owns a pair of vans or just loves shoes or vans. This is the site for them.
